### EDMONTON, AB

Be the owner, set your own hours, have the freedom to practice dentistry the way you want, and take this clinic to a new level that you know you can reach.

1800 sq ft trendy downtown Edmonton office on the main floor of a historical building near Rogers Place, Grant MacEwan and Norquest colleges.

Large windows, high ceilings, original maple hardwood floors, and authentic brick walls accent the Metropolitan-style leasehold improvements.

Enjoy the professional remodeling, decorating and rebranding that was completed last year, together with the 5 plumbed operatories, 3 of which are fully equipped, one with a Sirona chair and handpieces.

Your own Cerec scanner with crown milling and firing units, Pan machine, laser, new endo equipment, and 9 computers with Dentrix software are included.

Your monthly rent is fair market value, with access to an underground parking stall. (Staff and patient parking stalls are currently rented from the parking lot behind the building).

If you have an entrepreneurial spirit and want to reach college students and urban professionals with a growth-oriented culture, then you may be a great candidate to buy this newly rebranded warehouse clinic, price available on asking.
