Welcome Stephen Doyle to the Heaps & Doyle Team

Stephen Doyle, CPA, the brother of Henry, is now an integral part of Heaps & Doyle Practice Solutions Inc. In his new role as Director, Stephen will build on the company's impressive capabilities. Joining the high-functioning team that was assembled and developed by Henry, Stephen brings experience in professional client services related to business reorganizations and transactions.

Stephen recognizes and appreciates the exceptional professionalism and knowledge of the Heaps & Doyle team. He plans to continue Heaps & Doyle's presence in the marketplace, leveraging the team's collective experience across the various divisions to add value to clients. This collaborative approach ensures that each client receives comprehensive and top-notch service.

As Heaps & Doyle continues its commitment to serving dental professionals from graduation to retirement, Stephen's contributions will contribute to the company's ongoing success.

Start Here. For Every Step of Your Professional Journey.

SKYLINE CONTRACTING LTD. is an accomplished general contractor with distinct proficiency in building, and renovating dental and medical offices and commercial spaces from the ground up – with over 20 years of construction excellence, we have earned the accolade of being the premier choice in commercial office realization. If you are ready to build or renovate your dental office, restaurant, hair salon, office, and more, we are confident that our knowledge and expertise will outcome in the most optimal result for you, your staff, and, most importantly, your clients.

As an experienced contractor, we know the in's-and-out's of project management. This means that from project initiation to project closeout we are punctual, calibrating every step of the project to your needs, and compliant to all government and construction regulations.

From the design process, estimation, permit processing, to the project planning and management, **Skyline Contracting LTD.** is dedicated to providing an experience that combines the latest industry knowledge with a customer-oriented service that ensures the outcome is not only modern and functional but, most importantly, to your liking.

We work with incredible designers and the best dental distributors in the country to create products that will wow your clients. Don't risk your dental office by hiring construction companies that don't know the specifics regarding dental office construction. Too many things can go wrong if you don't know every minute detail that goes into dental practice installations. We create spaces that show your clients that you care about quality and customer service. We have the experience to make your project a success.

Are you contemplating selling your practice?

As a practicing CA for over 30 years with my practice restricted to dentists across Canada, I am very familiar with the professional needs of dentists at this point in their careers. We are retained by many dentists to locate and assist in the acquisition of a practice, who pay our fee. Their needs range from single practices to multiple locations. The transition period ranges from immediate to several years.

If you are interested in selling or purchasing, please contact us for a confidential discussion.

Our purchasing
clients pay our fee.
No fee is charged to the selling dentist.
